

# My Mixed-Up Minibeast!

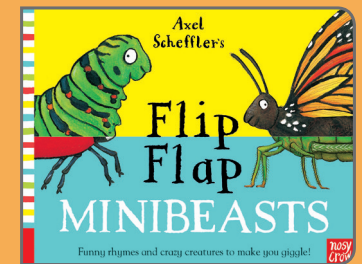

What do you get when you cross a butterfly with a grasshopper?  
That would be a butterhopper of course! Create your own crazy creature in the box below.

---

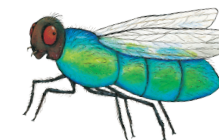

## How to draw your CRAZY CREATURE!

1. Choose two minibeasts!  
Ladybird • Butterfly • Snail  
Woodlouse • Earthworm  
Stag Beetle • Caterpillar  
Grasshopper • Bluebottle  
Millipede • Bumblebee
2. Draw the top half of your first minibeast in the top box.  
*Does it have wings?*  
*What kind of head does it have?*
3. Draw the bottom half of your second minibeast in the lower box. Make sure your creature joins up in the middle!  
*What kind of body does your creature have?*  
*Does it have legs?*

My minibeast is called a.....
