## CHIP SHOP CHANGE

The fish and chip shop (near where Lenny found his rat) has decided to join in with Olden Days Day so their prices have been converted to Victorian money, can you work out how much the below orders will cost?

CHIPS:		FISH:		SAUCES:	
Small	10d	Cod	3s	Ketchup	3d
Medium	1s 2d	Haddock	3s 4d	Curry Sauce	8d
Large	1s 6d	Cod & Chips	4s	Mushy Peas	8d

**PENNY = d**  
**SHILLING = s**  
**POUND = £**

There are 12d (pence) in a shilling and 20s (shilling) in a pound, which means there's 240d in a pound.

Example: Small Chips + Haddock =

$$10d + 3s\ 4d = 4s\ 2d\ \text{or}\ 3s\ 14d$$

a. Large Chips + Cod + Ketchup =

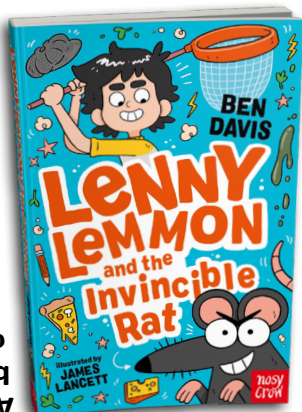

$$\text{[ ]} + \text{[ ]} + \text{[ ]} = \text{[ ]}$$

b. Medium Chips + Cod & Chips + Haddock + Curry Sauce =

$$\text{[ ]} + \text{[ ]} + \text{[ ]} + \text{[ ]} = \text{[ ]}$$

c. Large Chips + Cod + Ketchup + Curry Sauce + Mushy Peas =

$$\text{[ ]} + \text{[ ]} + \text{[ ]} + \text{[ ]} + \text{[ ]} = \text{[ ]}$$

## REPORT TO THE HEADMASTER'S OFFICE

You've been called to see the headmaster, uh oh!  
But don't worry he just wants you to help decorate his office, phew!  
Have fun colouring in the office and all of its wonderful artefacts.
